- ❖ **Name of Scheme** - Development of Play Ground with Earthen Stadium at Bonpara within Dignagar-II Gram Panchayat under Ausgram-I Dev Block
- ❖ **Phase -I**
 - **Cost of Scheme** – 44.32301 Lakh
 - **Un-Skill Labour Cost** – 2.34600 Lakh
- ❖ **Phase -II**
 - **Cost of Scheme** – 27.86467 Lakh
 - **Un-Skill Labour Cost** – 4.14528 Lakh
- ❖ **Livelihood Impact** - The site area is located in Jadavganj village under Dignagar-II Gram Panchayat of Ausgram-I Dev. Block. Beside the football ground of Jadavganj High School, the land was vacant and not used for any productive purpose. Football is a popular sport here, people from this area participates in this sport. The construction of the stadium started with the villagers to give it a better look. During creation of the earthen stadium, alternative livelihood was provided to the persons engaged there. Even after completion of the work, few mandays are created on regular basis for maintenance of the stadium. Thus, an earthen stadium not only helps to build physique of the young generation but also, may help to generate good athletics from the rural area for future which may fulfil the dream of rural bring & brought up athletics. Different kind of sports tournaments may be organized in the stadium which may attract small and marginal business man to run temporary or permanent shop that may lead to livelihood development.
